

# Liste des histotypes : Famille et sous-famille d'appartenance Correspondance français anglais

Légende des grandes familles	
	Sarcome
	GIST
	Tumour of intermediate malignancy
	Non-mesenchymal malignant tumour
	Other diagnoses
	Benign lesion

Libellé Français	Libellé anglais	Sous familles d'appartenance
adamantinome	Adamantinoma	Other sarcomas
adamantinome dédifférencié	Dedifferentiated adamantinoma	Other sarcomas
adénofibrome	Adenofibroma	Benign fibroblastic/myofibroblastic tumours
adénomyome polypoïde atypique	Atypical polypoid adenomyoma	Benign chondrogenic tumours
adénosarcome	Adenosarcoma	Other sarcomas
angioendothéliome papillaire intra-lymphatique	Papillary intralymphatic angioendothelioma	Intermediate vascular tumours
angiofibrome	Angiofibroma	Benign fibroblastic/myofibroblastic tumours
angiofibrome cellulaire	Cellular angiofibroma	Benign fibroblastic/myofibroblastic tumours
angiofibrome nasopharyngé	Nasopharyngeal angiofibroma	Benign fibroblastic/myofibroblastic tumours
angioleiomyome	Angioleiomyoma	Benign pericytic tumours
angiolipome	Angiolipoma	Benign adipocytic tumours
angiomatose	Angiomatosis	Benign vascular tumours
angiome intra-musculaire	Intra-muscular hemangioma	Benign vascular tumours
angiomyofibroblastome	Angiomyofibroblastoma	Benign fibroblastic/myofibroblastic tumours
angiomyolipome	Angiomyolipoma	Benign adipocytic tumours
angiomyxome agressif	Deep ("aggressive") angiomyxoma	Benign tumours of uncertain differentiation
angiomyxome superficiel	Superficial angiomyxoma	Benign tumours of uncertain differentiation
angiosarcome	Angiosarcoma	Miscellaneous sarcomas
autre fibrome	Other fibromas	Benign fibroblastic/myofibroblastic tumours
autre lésion bénigne	Other benign lesion	Benign skeletal muscle tumours
autre sarcome / sarcome SAI	Other sarcomas	Other sarcomas
autre tumeur maligne non sarcomateuse	Other non-mesenchymal malignant tumours	Non-mesenchymal malignant tumour
Autres diagnostics	Other diagnoses	Other diagnoses
autres tumeurs à malignité intermédiaire	Other tumours of intermediate malignancy	Atypical lipomatous tumour

### Légende des grandes familles

Sarcome	GIST	Tumour of intermediate malignancy	Non-mesenchymal malignant tumour	Other diagnoses	Benign lesion
---------	------	-----------------------------------	----------------------------------	-----------------	---------------

Libellé Français	Libellé anglais	Sous familles d'appartenance
cal	Callus	Osseous pseudo-tumours
carcinome	Carcinoma	Non-mesenchymal malignant tumour
carcinome myoepithelial	Myoepithelial carcinoma	Miscellaneous sarcomas
chondroblastome	Chondroblastoma	Intermediate chondrogenic tumours
chondromatose synovial	Synovial chondromatosis	Benign chondrogenic tumours
Chondrome	Chondroma	Benign chondrogenic tumours
chondrome périosté	Periosteal chondroma	Benign chondrogenic tumours
chondrosarcome à cellules claires	Clear cell chondrosarcoma	Chondrosarcoma
chondrosarcome conventionnel	Chondrosarcoma	Chondrosarcoma
chondrosarcome conventionnel central	Central chondrosarcoma	Chondrosarcoma
chondrosarcome conventionnel périphérique	Periosteal chondrosarcoma	Chondrosarcoma
chondrosarcome dédifférencié	Dedifferentiated chondrosarcoma	Chondrosarcoma
chondrosarcome mésenchymateux	Mesenchymal chondrosarcoma	Chondrosarcoma
chondrosarcome myxoïde extra-squelettique	Extraskeletal myxoid chondrosarcoma	Miscellaneous sarcomas
chondrosarcome périosté	Peripheral chondrosarcoma	Chondrosarcoma
chondrosarcome SAI	Chondrosarcoma NOS	Chondrosarcoma
chordome	Chordoma	Other sarcomas
chordome dédifférencié	Dedifferentiated chordoma	Other sarcomas
dermatofibrosarcome de Darier Ferrand	Dermatofibrosarcoma protuberans	Intermediate fibroblastic/myofibroblastic tumours
Diagnostic non précisé	Diagnosis unspecified	Other diagnoses
dysplasie fibreuse	Fibrous dysplasia	Benign tumours of uncertain differentiation
dysplasie ostéofibreuse	Osteofibrous dysplasia	Benign tumours of uncertain differentiation
Ectomesenchymome	Ectomesenchymoma	Malignant peripheral nerve sheath tumour
élastofibrome	Elastofibroma	Benign fibroblastic/myofibroblastic tumours
enchondrome	Enchondroma	Benign chondrogenic tumours
exostoses sous-unguéales	Subungueal exostosis	Benign chondrogenic tumours
fasciite	Fasciitis	Benign fibroblastic/myofibroblastic tumours
fasciite	Nodular fasciitis	Benign fibroblastic/myofibroblastic tumours
fasciite ischémique	Ischaemic fasciitis	Benign fibroblastic/myofibroblastic tumours
fasciite proliférative	Proliferative fasciitis	Benign fibroblastic/myofibroblastic tumours
fibroblastome à cellules géantes	Giant cell fibroblastoma	Intermediate fibroblastic/myofibroblastic tumours
fibroblastome desmoplastique	Desmoplastic fibroblastoma	Benign fibroblastic/myofibroblastic tumours
Fibromatose colli	Fibromatosis colli	Benign fibroblastic/myofibroblastic tumours
Fibromatose digitale infantile	Inclusion body fibromatosis	Benign fibroblastic/myofibroblastic tumours
Fibromatose hyaline juvénile	Juvenile hyaline fibromatosis	Benign fibroblastic/myofibroblastic tumours
fibromatose superficielle	Palmar/plantar fibromatosis	Intermediate fibroblastic/myofibroblastic tumours
fibrome aponévrotique calcifiant	Calcifying aponeurotic fibroma	Benign fibroblastic/myofibroblastic tumours
fibrome chondromyxoïde	Chondromyxoid fibroma	Intermediate chondrogenic tumours
fibrome de Gardner	Gardner fibroma	Benign fibroblastic/myofibroblastic tumours
fibrome de type nuchal	Nuchal-type fibroma	Benign fibroblastic/myofibroblastic tumours

Légende des grandes familles

Sarcome	GIST	Tumour of intermediate malignancy	Non-mesenchymal malignant tumour	Other diagnoses	Benign lesion
---------	------	-----------------------------------	----------------------------------	-----------------	---------------

Libellé Français	Libellé anglais	Sous familles d'appartenance
fibrome des tendons	Fibroma of tendon sheath	Benign fibroblastic/myofibroblastic tumours
fibrome desmoplastique des os	Desmoplastic fibroma of bone	Intermediate fibroblastic/myofibroblastic tumours
fibrome non ossifiant	Non Ossifying fibroma	Benign fibro-histiocytic tumours
fibromyxome acral	Acral fibromyxoma	Benign tumours of uncertain differentiation
fibrosarcome infantile	Infantile fibrosarcoma	Intermediate fibroblastic/myofibroblastic tumours
fibrosarcome sclérosant épithélioïde	Sclerosing epithelioid fibrosarcoma	Miscellaneous sarcomas
fibrosarcome sur dermatofibrosarcome de Darier Ferrand	Fibrosarcomatous dermatofibrosarcoma protuberans	Intermediate fibroblastic/myofibroblastic tumours
fibrosarcome type adulte	Adult fibrosarcoma	Miscellaneous sarcomas
fibroxanthome atypique	Atypical fibroxanthoma	Intermediate tumours of uncertain differentiation
GIST à potentiel de malignité incertain	Gastrointestinal stromal tumour, uncertain malignant potential	GIST
GIST bénigne	Benign gastrointestinal stromal tumour	GIST
GIST maligne	Gastrointestinal stromal tumour, malignant	GIST
GIST Tumeur stromale du tube digestif	GIST	GIST
granulome central à cellules géantes de la mâchoire	Central giant cell granuloma of jaws (giant cell reparative granuloma of jaws)	Benign fibro-histiocytic tumours
granulome pyogénique	Pyogenic granuloma	Benign vascular tumours
granulome réparateur à cellules géantes	Giant cell lesion of the small bones (extragnathic giant cell reparative granuloma)	Benign fibro-histiocytic tumours
hamartome fibreux de l'enfant	Fibrous hamartoma of infancy	Benign fibroblastic/myofibroblastic tumours
hamartome thymique ectopique	Ectopic hamartomatous thymoma	Benign tumours of uncertain differentiation
hémangioendéthéliome rétifforme	Retiform hemangioendothelioma	Intermediate vascular tumours
hémangioendéthéliome composite	Composite hemangioendothelioma	Intermediate vascular tumours
hémangioendéthéliome épithélioïde	Epithelioid haemangioendothelioma	Miscellaneous sarcomas
hémangioendéthéliome kaposiforme	Kaposiform hemangioendothelioma	Intermediate vascular tumours
hémangioendéthéliome pseudomyogénique	Pseudomyogenic hemangioendothelioma	Intermediate vascular tumours
hémangiome	Hemangioma	Benign vascular tumours
hémangiome épithélioïde	Epithelioid hemangioma	Benign vascular tumours
hétérotopie gliale nasale	Nasal glial heterotopia	Benign nerve sheath tumours
hibernome	Hibernoma	Benign adipocytic tumours
histiocytofibrome	Fibrous histiocytoma	Benign fibro-histiocytic tumours
histiocytofibrome angiomatoïde	Angiomatoid fibrous histiocytoma	Intermediate tumours of uncertain differentiation
histiocytofibrome profond bénin	Deep benign fibrous histiocytoma	Benign fibro-histiocytic tumours
histiocytose langerhansienne	Langerhans cell histiocytosis	Intermediate tumours of uncertain differentiation
kyste anévrysmal	Aneurysmal bone cyst	Intermediate tumours of uncertain differentiation
kyste essentiel des os	Simple bone cyst	Benign tumours of uncertain differentiation
leiomyomatose diffuse	Diffuse leiomyomatosis	Benign chondrogenic tumours
leiomyomatose intra-veineuse	Intravenous leiomyomatosis	Benign chondrogenic tumours
leiomyomatose péritonéale disséminée	Leiomyomatosis peritonealis disseminata	Benign chondrogenic tumours
leiomyome	Leiomyoma	Benign chondrogenic tumours
leiomyome atypique	Atypical leiomyoma	Benign chondrogenic tumours
leiomyome cellulaire	Cellular leiomyoma	Benign chondrogenic tumours
leiomyome disséquant	Dissecting leiomyoma	Benign chondrogenic tumours

## Légende des grandes familles

Sarcome	GIST	Tumour of intermediate malignancy	Non-mesenchymal malignant tumour	Other diagnoses	Benign lesion
---------	------	-----------------------------------	----------------------------------	-----------------	---------------

Libellé Français	Libellé anglais	Sous familles d'appartenance
leiomyome épithélioïde	Epithelioid leiomyoma	Benign chondrogenic tumours
leiomyome métastasiant	Metastatic leiomyoma	Endometrial stromal nodule
leiomyome mitotiquement actif	Mitotically-active leiomyoma	Benign chondrogenic tumours
leiomyome myxoïde	Myxoid leiomyoma	Benign chondrogenic tumours
leiomyosarcome	Leiomyosarcoma	Leiomyosarcoma
leiomyosarcome différencié	Leiomyosarcoma - differentiated	Leiomyosarcoma
Les tumeurs bénignes du muscle squelettique	Benign skeletal muscle tumours	Benign skeletal muscle tumours
lésion de Nora	Bizarre parosteal osteochondromatous proliferation	Osseous pseudo-tumours
lésion fibro-osseuse post-traumatique	Post-traumatic fibro-osseous lesion	Osseous pseudo-tumours
Lésions bénignes	Benign lesion	Benign lesion
lipoblastome	Lipoblastoma/lipoblastomatosis	Benign adipocytic tumours
lipofibromatose	Lipofibromatosis	Intermediate fibroblastic/myofibroblastic tumours
lipomatose	Lipomatosis	Benign adipocytic tumours
Lipomatose de nerf	Lipomatosis of nerve	Benign adipocytic tumours
lipome	Lipoma	Benign adipocytic tumours
lipome à cellules fusiformes / pléomorphes	Spindle cell / pleomorphic lipoma	Rhabdomyosarcoma
lipome chondroïde	Chondroid lipoma	Benign adipocytic tumours
liposarcome	Liposarcoma	Liposarcoma
liposarcome à cellules rondes	Liposarcoma - round cell	Liposarcoma
liposarcome bien différencié	Liposarcoma - well differentiated	Liposarcoma
liposarcome dédifférencié	Liposarcoma - dedifferentiated	Liposarcoma
liposarcome mixte	Liposarcoma - mixed type	Liposarcoma
liposarcome myxoïde	Liposarcoma - myxoid	Liposarcoma
liposarcome pléomorphe	Liposarcoma - pleomorphic	Liposarcoma
liposarcome SAI	Liposarcoma - NOS	Liposarcoma
lymphangiome	Lymphangioma	Benign vascular tumours
lymphome	Lymphoma	Non-mesenchymal malignant tumour
maladie de Gorham	Gorham disease	Benign vascular tumours
maladie de Rosai-Dorfman	Rosai-Dorfman disease	Benign tumours of uncertain differentiation
Maladie d'Erdheim-Chester	Erdheim-Chester disease	Intermediate tumours of uncertain differentiation
mélanome	Melanoma	Non-mesenchymal malignant tumour
méningiome ectopique	Ectopic meningioma	Benign nerve sheath tumours
mésenchymome malin	Malignant mesenchymoma	Miscellaneous sarcomas
myélolipome	Myelolipoma	Benign adipocytic tumours
myelome	Myeloma	Non-mesenchymal malignant tumour
myoépithéliome	Myoepithelioma	Intermediate tumours of uncertain differentiation
myofibroblastome de type mammaire	Mammary-type myofibroblastoma	Benign fibroblastic/myofibroblastic tumours
myofibroblastome palissadique intra-ganglionnaire	Intra-nodal palisaded myofibroblastoma	Benign tumours of uncertain differentiation
myofibrome / myofibromatose	Myofibroma / myofibromatosis	Benign pericytic tumours
myolipome	Myolipoma	Benign adipocytic tumours
myopéricytome	Myopericytoma	Benign pericytic tumours

myofibroblastome palissadique intra-ganglionnaire	Intra-nodal palisaded myofibroblastoma	Benign tumours of uncertain differentiation
myofibrome / myofibromatose	Myofibroma / myofibromatosis	Benign pericytic tumours
myolipome	Myolipoma	Benign adipocytic tumours

Légende des grandes familles

Sarcome	GIST	Tumour of intermediate malignancy	Non-mesenchymal malignant tumour	Other diagnoses	Benign lesion
---------	------	-----------------------------------	----------------------------------	-----------------	---------------

Libellé Français	Libellé anglais	Sous familles d'appartenance
myopéricytome	Myopericytoma	Benign pericytic tumours
myosite ossifiante	Myositis ossificans	Benign fibroblastic/myofibroblastic tumours
myosite proliférative	Proliferative myositis	Benign fibroblastic/myofibroblastic tumours
myxofibrosarcome	Myxofibrosarcoma	Myxofibrosarcoma
myxome dermique des gaines des nerfs périphériques	Dermal nerve sheath myxoma	Benign nerve sheath tumours
myxome intra-musculaire	Intramuscular myxoma	Benign fibroblastic/myofibroblastic tumours
myxome juxta-articulaire	Juxta-articular myxoma	Benign tumours of uncertain differentiation
neurofibrome	Neurofibroma	Benign nerve sheath tumours
neurofibrome plexiforme	Plexiform neurofibroma	Benign nerve sheath tumours
neurome circonscrit solitaire	Solitary circumscribed neuroma	Benign nerve sheath tumours
neurothécome	Neurothekeoma	Benign nerve sheath tumours
nodule du stroma endométrial	Endometrial stromal nodule	Endometrial stromal nodule
ostéoblastome	Osteoblastoma	Intermediate osteogenic tumours
ostéochondrome	Osteochondroma	Benign chondrogenic tumours
ostéochondromyxome	Osteochondromyxoma	Benign chondrogenic tumours
ostéome	Osteoma	Benign osteogenic tumours
ostéome ostéoïde	Osteoid osteoma	Benign osteogenic tumours
ostéosarcome	Osteosarcoma	Osteosarcoma
ostéosarcome à petites cellules	Small cell osteosarcoma	Osteosarcoma
ostéosarcome conventionnel	Conventional osteosarcoma	Osteosarcoma
ostéosarcome de bas grade de type central	Low-grade central osteosarcoma	Osteosarcoma
ostéosarcome de bas grade de type central dédifférencié	Dedifferentiated low-grade central osteosarcoma	Osteosarcoma
ostéosarcome de haut grade de surface	High-grade surface osteosarcoma	Osteosarcoma
ostéosarcome extra-squelettique	Extraskeletal osteosarcoma	Osteosarcoma
ostéosarcome ostéoblastome-like	Osteoblastoma-like osteosarcoma	Osteosarcoma
ostéosarcome parostéal	Parosteal osteosarcoma	Osteosarcoma
ostéosarcome parostéal dédifférencié	Dedifferentiated parosteal osteosarcoma	Osteosarcoma
ostéosarcome périosté	Periosteal osteosarcoma	Osteosarcoma
ostéosarcome SAI	Osteosarcoma NOS	Osteosarcoma
ostéosarcome télangiectasique	Telangiectasic osteosarcoma	Osteosarcoma
PECOME malin	Malignant PECOMA	Miscellaneous sarcomas
PECOME tumeur à cellules épithélioïdes périvasculaires	PECOMA - NOS	Intermediate tumours of uncertain differentiation
périneuriome	Perineurioma	Benign nerve sheath tumours
perineuriome malin	Malignant perineurioma	Malignant peripheral nerve sheath tumour
périostite ossifiante floride	Florid ossificans periostitis	Benign pericytic tumours
plasmocytome	Plasmocytoma	Non-mesenchymal malignant tumour
polype fibroïde inflammatoire	Inflammatory fibroid polyp	Benign tumours of uncertain differentiation
prolifération myofibroblastique pseudosarcomateuse associée aux viscéres	Organ-associated pseudosarcomatous myofibroblastic proliferations	Benign fibroblastic/myofibroblastic tumours
pseudogoutte tophacée avec métaplasie cartilagineuse	Tophaceous pseudogout	Osseous pseudo-tumours
pseudotumeur ostéofibreuse des doigts	Fibro-osseous pseudotumour of digits	Benign fibroblastic/myofibroblastic tumours

Légende des grandes familles

Sarcome	GIST	Tumour of intermediate malignancy	Non-mesenchymal malignant tumour	Other diagnoses	Benign lesion

Libellé Français	Libellé anglais	Sous familles d'appartenance
pseudotumeurs osseuses	Osseous pseudo-tumours	Osseous pseudo-tumours
rhabdomyome	Rhabdomyoma	Benign skeletal muscle tumours
rhabdomyome de type adulte	Rhabdomyoma - adult type	Benign skeletal muscle tumours
rhabdomyome de type foetal	Rhabdomyoma - fetal type	Benign skeletal muscle tumours
rhabdomyome de type génital	Rhabdomyoma - genital type	Benign skeletal muscle tumours
rhabdomyosarcome	Rhabdomyosarcoma	Rhabdomyosarcoma
rhabdomyosarcome à cellules fusiformes	Spindle cell rhabdomyosarcoma	Benign adipocytic tumours
rhabdomyosarcome à cellules fusiformes de l'adulte	Adult spindle cell rhabdomyosarcoma	Rhabdomyosarcoma
rhabdomyosarcome alvéolaire	Alveolar rhabdomyosarcoma	Rhabdomyosarcoma
rhabdomyosarcome embryonnaire - SAI	Embryonal rhabdomyosarcoma - NOS	Rhabdomyosarcoma
rhabdomyosarcome embryonnaire - type à cellules fusiformes	Embryonal rhabdomyosarcoma - spindle cell type	Rhabdomyosarcoma
rhabdomyosarcome embryonnaire - type botryoïde	Embryonal rhabdomyosarcoma - botryoid type	Rhabdomyosarcoma
rhabdomyosarcome embryonnaire - type conventionnel	Embryonal rhabdomyosarcoma - usual type	Rhabdomyosarcoma
rhabdomyosarcome pléomorphe	Pleomorphic rhabdomyosarcoma	Rhabdomyosarcoma
rhabdomyosarcome SAI	Rhabdomyosarcoma - NOS	Rhabdomyosarcoma
rhabdomyosarcome sclérosant	Sclerosing rhabdomyosarcoma	Rhabdomyosarcoma
Sarcome	Sarcoma	Sarcoma
sarcome à cellules claires	Clear cell sarcoma	Miscellaneous sarcomas
sarcome alvéolaire des parties molles	Alveolar soft part sarcoma	Miscellaneous sarcomas
sarcome BCOR-CCNB3	BCOR sarcoma	Miscellaneous sarcomas
sarcome CIC-DUX	CIC-DUX sarcoma	Miscellaneous sarcomas
sarcome de bas grade nasosinusien	Low grade sinonasal sarcoma	Miscellaneous sarcomas
sarcome de Kaposi	Kaposi sarcoma	Intermediate vascular tumours
sarcome d'Ewing	Ewing sarcoma	Miscellaneous sarcomas
sarcome du stroma endométrial	Endometrial stromal sarcoma	Other sarcomas
sarcome du stroma endométrial de bas grade	Endometrial stromal sarcoma - low-grade	Other sarcomas
sarcome du stroma endométrial de haut grade	Endometrial stromal sarcoma - high-grade	Other sarcomas
sarcome endométrial indifférencié	Endometrial stromal sarcoma - undifferentiated	Other sarcomas
sarcome épithélioïde	Epithelioid sarcoma	Miscellaneous sarcomas
sarcome épithélioïde undifférencié	Undifferentiated epithelioid sarcoma	Undifferentiated sarcoma
sarcome fibroblastique myxo-inflammatoire	Myxoinflammatory fibroblastic sarcoma	Intermediate fibroblastic/myofibroblastic tumours
sarcome fibromyxioïde de bas grade	Low grade fibromyxoid sarcoma	Miscellaneous sarcomas
sarcome intimal	Intimal sarcoma	Miscellaneous sarcomas
sarcome myofibroblastique de bas grade	Low grade myofibroblastic sarcoma	Low grade myofibroblastic sarcoma
sarcome peu différencié	Undifferentiated sarcoma	Undifferentiated sarcoma
sarcome peu différencié à cellules fusiformes	Undifferentiated spindle cell sarcoma	Undifferentiated sarcoma
sarcome peu différencié à cellules rondes	Undifferentiated round cell sarcoma	Undifferentiated sarcoma
sarcome peu différencié avec phénotype musculaire lisse incomplet	Leiomyosarcoma - poorly-differentiated	Leiomyosarcoma
sarcome peu différencié SAI	Undifferentiated sarcoma - NOS	Undifferentiated sarcoma
sarcome phyllode	Phyllodes sarcoma	Other sarcomas

Légende des grandes familles

Sarcome	GIST	Tumour of intermediate malignancy	Non-mesenchymal malignant tumour	Other diagnoses	Benign lesion
---------	------	-----------------------------------	----------------------------------	-----------------	---------------

Libellé Français	Libellé anglais	Sous familles d'appartenance
sarcome pléomorphe / histiocytofibrome malin	Undifferentiated pleomorphic sarcoma	Undifferentiated sarcoma
sarcomes divers	Miscellaneous sarcomas	Miscellaneous sarcomas
schwannome	Schwannoma	Benign nerve sheath tumours
schwannome mélanotique	Melanotic schwannoma	Benign nerve sheath tumours
STUMP tumeur musculaire lisse à potentiel de malignité incertaine	Smooth muscle tumour of undetermined malignant potential (STUMP)	Endometrial stromal nodule
Suspicion de sarcome	Suspicion of sarcoma	Suspicion of sarcoma
suspicion de tumeur à cellules géantes de l'os	Suspicion of giant cell tumour of bone	Intermediate fibrohistiocytic tumours
synoviosarcome	Synovial sarcoma	Synovial sarcoma
synoviosarcome biphasique	Synovial sarcoma - biphasic	Synovial sarcoma
synoviosarcome monophasique	Synovial sarcoma - monophasic	Synovial sarcoma
synoviosarcome peu différencié	Synovial sarcoma - poorly differentiated	Synovial sarcoma
synoviosarcome SAI	Synovial sarcoma - NOS	Synovial sarcoma
tumeur à cellules géantes des os	Giant cell tumour of bone	Intermediate fibrohistiocytic tumours
tumeur à cellules géantes des os maligne/dédifférenciée	Malignant/dedifferentiated giant cell tumour of bone	Intermediate fibrohistiocytic tumours
tumeur à cellules géantes des os métastatique	Metastatic giant cell tumour of bone	Intermediate fibrohistiocytic tumours
tumeur à cellules géantes des tissus mous	Giant cell tumour of soft tissues	Intermediate fibrohistiocytic tumours
tumeur à cellules granuleuses	Granular cell tumour	Benign nerve sheath tumours
tumeur adipeuse atypique	Atypical lipomatous tumour	Atypical lipomatous tumour
tumeur angiectasique pléomorphe hyalinisante	Pleomorphic hyalinizing angiectatic tumour	Benign tumours of uncertain differentiation
tumeur brune	Brown tumour	Benign tumours of uncertain differentiation
tumeur cartilagineuse atypique/chondrosarcome grade 1	Atypical cartilaginous Tumour/Chondrosarcoma grade 1	Intermediate chondrogenic tumours
tumeur cartilagineuse de pronostic incertain	Cartilaginous tumour of uncertain prognosis	Intermediate chondrogenic tumours
tumeur de Triton bénigne (Hamartome neuromusculaire)	Benign Triton tumour	Benign nerve sheath tumours
Tumeur desmoïde	Desmoid-type fibromatosis	Intermediate fibroblastic/myofibroblastic tumours
tumeur desmoplastique à cellules rondes	Desmoplastic round cell tumour	Miscellaneous sarcomas
tumeur fibreuse calcifiante	Calcifying fibrous tumour	Benign fibroblastic/myofibroblastic tumours
tumeur fibreuse solitaire	Solitary fibrous tumour	Intermediate fibroblastic/myofibroblastic tumours
tumeur fibreuse solitaire maligne / hémangiopéricytome malin	Malignant solitary fibrous tumour	Miscellaneous sarcomas
tumeur fibro-histiocytaire plexiforme	Plexiform fibrohistiocytic tumour	Intermediate fibrohistiocytic tumours
tumeur fibrolipomateuse hémossidérétique	Hemosiderotic fibrolipomatous tumour	Intermediate tumours of uncertain differentiation
tumeur fibromyxoïde ossifiante	Ossifying fibromyxoid tumour	Intermediate tumours of uncertain differentiation
tumeur germinale	Germinal tumor	Non-mesenchymal malignant tumour
tumeur glomique	Glomus tumour	Benign pericytic tumours
tumeur glomique maligne	Malignant glomus tumour	Miscellaneous sarcomas
tumeur maligne à cellules granuleuses	Malignant granular cell sarcoma	Miscellaneous sarcomas
tumeur maligne des gaines des nerfs périphériques	Malignant peripheral nerve sheath tumour	Malignant peripheral nerve sheath tumour
tumeur maligne des gaines des nerfs périphériques - type usuel	MPNST - usual type	Malignant peripheral nerve sheath tumour
tumeur maligne des gaines des nerfs périphériques épithélioïde	MPNST - epithelioid type	Malignant peripheral nerve sheath tumour
tumeur maligne du Triton	Malignant Triton tumour	Malignant peripheral nerve sheath tumour
tumeur maligne fibromyxoïde ossifiante	Malignant ossifying fibromyxoid tumour	Miscellaneous sarcomas

tumeur ténosynoviale à cellules géantes diffuse	Tenosynovial giant cell tumour, diffuse type	Benign fibro-histiocytic tumours
tumeur ténosynoviale à cellules géantes localisée	Tenosynovial giant cell tumour, localized type	Benign fibro-histiocytic tumours
tumeur vasculaire épithélioïde de l'os SAI	Epithelioid vascular tumour of bone NOS	Intermediate vascular tumours
tumeurs à différenciation incertaine	Benign tumours of uncertain differentiation	Benign tumours of uncertain differentiation
Tumeurs à malignité intermédiaire	Tumour of intermediate malignancy	Tumour of intermediate malignancy
tumeurs adipeuses	Benign adipocytic tumours	Benign adipocytic tumours
tumeurs bénignes ostéogéniques	Benign osteogenic tumours	Benign osteogenic tumours
tumeurs bénignes périvasculaires	Benign pericytic tumours	Benign pericytic tumours
tumeurs cartilagineuses	Benign chondrogenic tumours	Benign chondrogenic tumours
tumeurs chondrogéniques intermédiaires	Intermediate chondrogenic tumours	Intermediate chondrogenic tumours
tumeurs des gaines des nerfs périphériques	Benign nerve sheath tumours	Benign nerve sheath tumours
tumeurs fibroblastiques/myofibroblastiques	Benign fibroblastic/myofibroblastic tumours	Benign fibro-histiocytic tumours
tumeurs fibroblastiques/myofibroblastiques intermédiaires	Intermediate fibroblastic/myofibroblastic tumours	Intermediate fibroblastic/myofibroblastic tumours
tumeurs fibrohistiocytaires	Benign fibro-histiocytic tumours	Benign fibroblastic/myofibroblastic tumours
tumeurs fibrohistiocytaires intermédiaires	Intermediate fibrohistiocytic tumours	Intermediate fibrohistiocytic tumours
tumeurs hybrides des gaines des nerfs périphériques	Hybrid nerve sheath tumours	Benign nerve sheath tumours
tumeurs intermédiaires de différenciation incertaine	Intermediate tumours of uncertain differentiation	Intermediate tumours of uncertain differentiation
tumeurs musculaires lisses	Benign smooth muscle tumours	Benign chondrogenic tumours
tumeurs ostéogéniques intermédiaires	Intermediate osteogenic tumours	Intermediate osteogenic tumours
tumeurs vasculaires	Benign vascular tumours	Benign vascular tumours
tumeurs vasculaires intermédiaires	Intermediate vascular tumours	Intermediate vascular tumours
UTROSCT tumeur utérine ressemblant aux tumeurs de l'ovaire des cordons sexuels	Uterine tumour resembling ovarian sex cord tumours (UTROSCT)	Endometrial stromal nodule
